

# PROJECT FAIRWAY: GROWING GOD'S KINGDOM

Dear Fairway Family,

These are exciting days at Fairway Baptist. When we look at where God has brought us over the past several years and at all He is doing in ministry among us now, we cannot help but be excited about what He has in store for tomorrow. Even when God led our church family to build our incredible Family Life Center, no one could have known the impact this facility would have on the ministries of our church: Sunday school classes – dedicated youth ministry space – AWANA – church fellowships & receptions – recreation ministry – the list goes on and on.

Now it is time to follow through with the vision God gave by retiring the debt on our wonderful FLC so our annual budget given by the church family can continue to fund the ministries God is using in our midst and our community.

All of us at Fairway have an opportunity to play a significant role in this challenge through “Project Fairway: Growing God’s Kingdom,” our capital fund raising program. Each of us chooses voluntarily to participate through giving.

We cannot fulfill the vision without your help. We need you to accept the challenge to give sacrificially to Project Fairway over the next three years. The key truth is “not equal giving, but equal sacrifice.” Your gifts will be an investment in the future of your church.

As your pastor, I challenge you to prayerfully consider what God would have you commit to give to this vital effort. Read through this brochure. Catch the vision. Let’s join God in making it happen.

May our Father continue to richly bless us as we give to Project Fairway.

Brett Storseth  
Senior Pastor  
Fairway Baptist Church
