Impacting Each Other Through Relationships

We were created to be in **relationship** with one another.

As we **do life** we are to focus on loving God with all that we are, following and teaching His commands.

- Deuteronomy 6:7-9

We are to be living life, talking about, seeing and practicing the Word of God as we **experience** things around us

Jesus used what was **right in front** of Him and taught truth through life experiences. He placed himself in positions to teach by going through life. Jesus' disciples learned the most from this as they were just **hanging out** with Jesus.

Examples:

Jesus healing: Matthew 8:1-4, 5-13, 14-17, 28-34

Jesus calms storm: Matthew 8:23

Jesus teaching with parables: Matthew 13

Jesus teaching disciples to pray: Luke 11

Jesus feeding the five thousand; walking on water: Mark 6

We are called to be growing in our faith, not just through the teaching and preaching of the Word, but living it and **practicing** it **with** each other.

We were created **needing** each other, needing relationships, needing to be taught by some and sharpened by others. **You** are needed.

Look around you. Who can you **impact** relationally? Who is God leading you to **seek** out?
